The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Brooklyn Park Roadway and Integrated Utility Infrastructure in fiscal year 2027.

The entity to receive funding for this project is the City of Brooklyn Park, located at 5200 85th Ave North, Brooklyn Park, MN 55443.

This funding will be used to fund construction of the roadway network, regional stormwater systems, and sanitary sewer extensions needed to facilitate development in Brooklyn Park. These improvements will turn undeveloped land into shovel ready sites for manufacturing, research and development facilities, and transit-oriented projects. Work includes new arterial roads designed for logistics and multimodal access to future Blue Line LRT stations, high capacity stormwater infrastructure, and deep sanitary sewer extensions sized for advanced manufacturing needs. The project is an appropriate use of taxpayer funds because it will help spur global investment, economic growth, and the development of transit-linked housing in Brooklyn Park.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kelly Morrison
Member of Congress
