The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Brooklyn Park Trunk Highway Watermain Crossings in fiscal year 2026.

The entity to receive funding for this project is the City of Brooklyn Park, located at 5200 85th Ave N, Brooklyn Park, MN 55443.

The funding would be used by the City of Brooklyn Park for three watermain crossings at Trunk Highway 610 and Jefferson Highway, Trunk Highway 169 south of 109th Avenue, and Trunk Highway 169 north of Trunk Highway 610. This project would provide the utility infrastructure necessary to develop 400 acres of land in a high demand area with excellent transportation access. The project is an appropriate use of taxpayer funds because it would facilitate new investment, housing, and economic growth in Brooklyn Park, MN.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kelly Morrison
Member of Congress
