The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Corcoran Public Safety Infrastructure in fiscal year 2027.

The entity to receive funding for this project is the City of Corcoran, located at 8200 County Road 116, Corcoran, MN 55340.

The funding would be used to build critical public safety infrastructure in the City of Corcoran. The city's current police facility is outdated and no longer meets the needs of the community. This project will support a modern evidence processing and storage facility, providing secure evidence intake and preservation, including long-term and climate-controlled storage when necessary. In addition, the project would fund emergency vehicle and fleet storage, which will provide secure indoor parking for emergency vehicles and specialized emergency response equipment. Lastly, the project will include additional capabilities for intake, processing, and interviews. The project is an appropriate use of taxpayer funds because these improvements will strengthen public safety operations and emergency readiness.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kelly Morrison
Member of Congress
