The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Highway 169 & County Road 130 Interchange Mobility Project in fiscal year 2026.

The entity to receive funding for this project is the City of Maple Grove, located at 12800 Arbor Lakes Parkway, Maple Grove, MN 55369.

The funding would be used by the City of Maple Grove to reconstruct the interchange between Highway 169 and County Road 130. The current interchange is structurally deficient, restricting traffic flow and operating with outdated infrastructure, including traffic and pedestrian signals. The project is an appropriate use of taxpayer funds because the improvements will alleviate congestion, increase capacity, and improve safety for motorists and pedestrians.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kelly Morrison
Member of Congress
