The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Main Street (CSAH 150) Reconstruction in fiscal year 2026.

The entity to receive funding for this project is the City of Rogers, located at 22350 S Diamond Lake Rd, Rogers, MN 55374.

The funding would be used by the City of Rogers for the reconstruction of Main Street (CSAH 150) between Territorial Road (CSAH 116) to John Deere Lane. In addition to improving the roadway, the project would also provide for utility replacement and the incorporation of pedestrian safety measures. The project is an appropriate use of taxpayer funds because it will improve an aging and outdated roadway, improve motorist and pedestrian safety, alleviate congestion, and improve connectivity within the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kelly Morrison
Member of Congress
